PREFACE.

In presenting to our patrons and the public, our first issue of the Haldimand, Lincoln, Norfolk and Welland Farmers' and Business Directory, we beg to state that we have spared neither pains or expense in collecting and compiling the information for the work and trust that it will prove to be what we intended, and believe we have succeeded in making it, viz: the best work of the kind ever published in the Province.

The Farmers' Directory will be found a very important feature of this work, as the name, post-office address, number of concession and lot, and whether freeholder or tenant, of each farmer is given. The Classified Business Directory will be found complete, giving the correct post-office address of every person carrying on business in the four counties.

Absolute freedom from errors has seldom or never been attained in Directories, or any other publications, and while we may not claim that ours is an exception to the general rule, we have no hesitation in saying that the errors and ommissions, if any are found, will be few and unimportant.

We thank those who have kindly afforded information and assistance, and the many business men who have given the work their support, and congratulate the people upon the substantial revival of business in every section of the country.

Respectfully,

UNION PUBLISHING CO.,

Publishers.

TESTIMONIALS.

From the many letters sent us with kindly expressions of satisfaction with the College, we give the following :—

From C. E. MARTIN, M. D,

(*Who has removed to Toronto.*)

Toronto, July 19th, 1882.

Rev. A. B. Demill,

Dear Sir,—Having been intimately connected with your College for several years, as attending physician, I feel it a duty to express to you my entire confidence as to the efficiency of talent employed and management in your Institution. The order that always seemed to pertain, the kindly feelings among the young ladies, and the general good health of the school, make it a desirable home for those who have daughters to educate. There seems to be an absence of that haughtiness that is too often exhibited by young ladies with such surroundings. I shall gladly do what I can to have young ladies placed under the care of Mrs. Demill, as I feel they will be kindly cared for. I might say, in conclusion, I believe it to be one of the best schools in Ontario for the general education of young ladies.

I remain yours very truly,

C. E. MARTIN, M. D.

From Col. Wm. M. BUTTON, MARKHAM.

Belford, June 29th, 1881.

Rev. A. B. Demill,

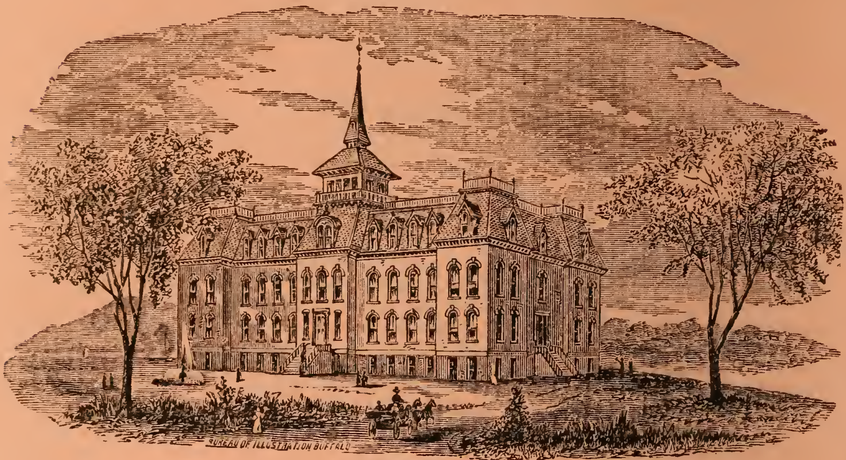
Dear Sir,—After over four years' experience with your Ladies' College, which time my grand-daughter has been in attendance, I wish to express to you my entire satisfaction as to the thoroughness of the staff of teachers you employ, the table supplies, the careful oversight, especially taken by Mrs. Demill, of the young ladies, which gives to those attending your Institution such uniform good health, and especially the moral and religious interest that teachers and officers manifest in the welfare of those under their care. One feature in the management of your Institution I particularly admire for several reasons, that is the exclusion of day pupils. I can and will cheerfully recommend your school to all who are desirous of placing their daughters in a good Christian home, and especially motherless girls, where their mental and moral culture will be conscientiously attended to. I am glad that we have such a school in our land, where, for a reasonable price, such advantages and surroundings may be had. I think, as a general thing, that parents and guardians do not leave those under their care long enough with you to be sufficiently beneficial to either pupil or school, but expect too much of both in a short time. I, joined by my daughter, sincerely thank you and Mrs. Demill, with the teachers, for your kindness, and wish your College every success.

Yours sincerely,

W. M. BUTTON.

DEMILL
Ladies' College

OSHAWA, - ONTARIO,



Makes the best offer in the Dominion of Canada for the education of young ladies.

Terms lower than any other Institution for board and instruction.

Our Scholarship includes both with one single exception, that of private vocal lessons so that persons desirous of sending away for a higher education can ascertain the cost by consulting our Calendar.

We do not adopt the plan of charging separately for each branch of study taken by the pupil, but give board and all the advantages, including the Ancient and Modern Languages, Music, Fine Arts, Ornamental Branches, Sciences, with as thorough a course in the English as the High School.

The best health record we believe ever shown any where can be given. No physician has been called to our school for the last fifteen months. We were one year and four months and one year and five months before with one exception in which a physician was not called professionally.

Ours is a most beautiful situation, as well as healthful.

We have a large staff of able professors and teachers.

Special attention given to the Musical Department with a full musical course.

No day pupils are taken, which keeps out the gossip of the town, and saves the boarders from the demoralizing influence that such students bring in.

Be sure and write for Calendar, before making arrangements, to

REV. A. B. DEMILL,
President Demill Ladies' College,

DRY GOODS,

CARPETS, WOOLENS

—AND—

FANCY GOODS,

TORONTO, ONTARIO.

—o—

THE REASONS WHY THEY ARE ENABLED TO SELL CHEAPLY :—

From their ability to buy for cash they are enabled to purchase from manufacturers direct, and not from dealers.

They buy at the very lowest prices, and get the cash discount.

They buy all their goods by separate departmental buyers, who buying for their special rooms only, bring to bear on all lines bought, great attention, knowledge and expertness.

Doing a large trade, they are able to make the rate of expense low, which would be impossible in a smaller trade, and selling largely are satisfied with a small profit.

—o—

They Invite Inspection of Stock.

30 First Prizes & 9 Diplomas in last 6 Years.

ONTARIO LADIES' COLLEGE

WHITBY, ONT.

College will Reopen Sept. 4, 1884.

Parents thinking of sending their Daughters from home to be educated, are asked to consider the following SPECIAL ADVANTAGES, which have contributed to the present success and popularity of the Ontario Ladies' College:

1.—The best facilities for securing a thorough academic and collegiate education. Those wishing to prepare for professional or matriculation examinations, can do so to advantage whilst pursuing the ordinary Literary graduation course.

2.—The most careful and judicious training in home and social life by Miss Adams, the Lady Principal, (late of Brookhurst, Cobourg.)

3—A Graduation Course in instrumental and vocal music, such as is given in the leading American and European Conservatories.

4.—A Graduation Course in the principles of Fine Art, such as is given in the Ontario School of Art with the same examinations.

5.—Buildings and grounds unequalled in the Dominion by those of any similar institution for elegance, comfort and healthfulness.

6.—A large number of honors to be competed for, embracing two gold medals, four silver medals and a large number of prizes.

7.—A superior course of training in physical exercise, embracing, during the winter months, skating, calisthenics, &c., and during the autumn and spring months, lawn tennis, croquet, riding, &c.

8.—Comparatively low rates with special reductions to those who pay by year in advance.

In short the aim of the institution is to afford to Young Ladies' a HOME of REFINEMENT and culture in which to lay the foundation of a liberal education and at the lowest rates compatible with real excellence.
